

CENTRAL STORES COMMITTEE

The **Central Stores Committee** typically oversees the management, procurement, distribution, and inventory control of materials, equipment, and consumables required for academic, clinical, and administrative activities.

OBJECTIVES

- To ensure that supplies meet the quality standards, are cost-effective, and are readily available for students, faculty, and staff to maintain smooth operation in both educational and clinical settings.

ROLES & RESPONSIBILITIES

1. Procurement and Inventory Management:

- Responsible for purchasing and maintaining an adequate supply of dental materials, lab supplies, office stationery, and other necessary items.
- Ensures a consistent supply of items by planning and maintaining inventory levels.

2. Vendor Selection and Management:

- Conducts assessments of vendors and suppliers to ensure they meet quality, safety, and cost-effectiveness standards.
- Establishes relationships with approved vendors and negotiates terms to secure reliable and timely deliveries.

3. Quality Assurance:

- Verifies that all materials and equipment meet the required standards before they are approved for distribution and use within the college.
- Ensures that products comply with health and safety regulations, especially critical in a clinical and educational environment.

4. Budget Management:

- Works with the college administration to manage the budget allocated for supplies, equipment, and other materials.
- Monitors expenses and works within allocated resources to prevent overspending.

5. Distribution and Logistics:

- Organizes the efficient distribution of materials to various departments, clinics, labs, and administrative offices.
- Ensures materials are readily accessible to minimize disruptions in academic and clinical activities.

6. Record-Keeping and Reporting:

- Maintains accurate records of all transactions, including procurement orders, inventory levels, and distributions.
- Provides reports to the college administration on usage patterns, budget performance, and inventory needs.

7. Waste Management and Sustainability Initiatives:

- Implements policies for minimizing waste and promoting the use of eco-friendly and sustainable materials where possible.
- Ensures proper disposal of expired or unusable materials, particularly hazardous waste, in compliance with safety standards.
