

INTERNAL QUALITY ASSURANCE COMMITTEE

For the academic year 2023-2024

An Internal Quality Assurance Committee (IQAC) plays a vital role in ensuring an institution upholds its quality standards.

Roles and Responsibilities

Core Functions:

- **Develop quality parameters specific to dental education:** This includes setting benchmarks for curriculum content, clinical training methods, simulation labs, faculty expertise in dental specialties, and student outcomes in patient care.
- **Foster a learner-centered environment for dental students:** Promote innovative teaching methods, ensure access to advanced dental equipment and technology, and encourage student participation in research activities relevant to dentistry.
- **Gather feedback from dental students, patients, and dental professionals:** Collect feedback on the quality of clinical training, patient care services offered by the college, and the overall preparedness of graduates for dental practice.
